- LinkedIn: in progress
- WhatsApp: initiated for select leads (numbers available)

CA OUTREACH

- 68 CAs reached out (call + email + WhatsApp + LinkedIn)
- 10 showing initial interest
- Conversations in early stage (understanding client decision behavior)
- Additional CA firms (Indore + Bhopal) added and contacted

DOCTOR OUTREACH

- Indore cardiologists: outreach completed (9 doctors)
- Bhopal + Indore hospital doctors: 20 added
- Email outreach completed for full batch
- Current status: Awaiting replies / appointment confirmations

PIPELINE STATUS

- Platform leads: 28
- Doctor leads: 29
- CA + business leads: 68+

- Total leads: ~125+

- Total contacted: ~125+
- Interested: 10 (CA segment)
- Engaged: 1 (Dushyant – requalification needed)
- Active conversations: 10 (CA early-stage)

KEY OBSERVATION

- Strong top-of-funnel across platforms, doctors, and CAs
- First traction signal from CA segment (10 interested)
- Bottleneck: Contacted → Conversation (no movement yet in platform + doctors)

PLAN OF ACTION

1. CA CONVERSION (PRIMARY FOCUS)

- Prioritize 10 interested CAs
- Move to structured calls within 48 hrs
- Target: convert 2–3 into active pilots

2. FOLLOW-UP SYSTEM

- Ensure every lead has next action
- No idle leads

3. CALL LAYER

- Priority:
 - Interested CAs
 - Tier A doctors
 - Platform decision makers
- Objective: move to real conversations

4. PIPELINE DISCIPLINE

- Daily tracking
- Stage updates
- Next action mandatory
- No lead >48 hrs without movement

5. TARGETED EXPANSION

- Continue adding:
 - Doctors (Bhopal + Indore)
 - CA firms
- Only after follow-ups (no blind expansion)

NEXT 48 HOURS

- Convert 10 interested CAs into scheduled conversations
- Execute follow-up cycle across all segments
- Start call layer for top priority leads

ADDITIONAL EXECUTION

- Calling:
 - Schools (principal / owner)
 - Event companies

FOCUS

Contacted → Conversations → Qualified discussions → First conversions
