

FNOMO

INSTITUTIONAL INSIGHT INFRASTRUCTURE

STRATEGIC PARTNERSHIP BRIEF

ABOUT FNOMO

FNOMO is an advanced stock analysis platform designed to bring **institutional-grade insights** to retail and professional investors. With coverage spanning India, USA, UK, Europe, Canada, and more, FNOMO empowers professionals and businesses with fast, reliable investment intelligence.

CORE CAPABILITIES

- Multi-factor stock screening across 60+ global exchanges and 60,000+ stocks.
- Value, Growth, and Momentum filtering through an interactive engine.
- Analysis powered by 1,000,000+ data points and 160+ financial models.
- Built for professionals seeking actionable investment intelligence.

PROFESSIONAL CONTEXT

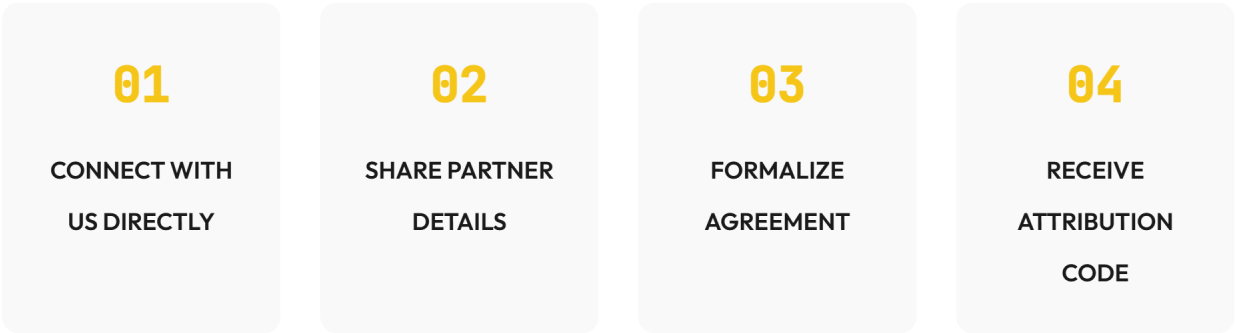

As a trusted professional at the centre of business decision-making, you are uniquely positioned to identify organisations that would benefit from smarter investment tools. Your clients — from SMEs to growing enterprises — regularly seek guidance on financial platforms and strategies that can give them an edge.

This is not a sales or promotional role. We are simply looking for respected professionals who can make meaningful introductions where FNOMO's capabilities align with a genuine business need.

PARTNERSHIP STRUCTURE

Partnership Fee	50% of the revenue generated from any partner-introduced client who converts to a paying FNOMO subscriber (12 months duration).
Success Definition	A partnership is deemed successful when a contact you introduce signs up for a paid subscription and their first payment is confirmed.
Payment	Calculated and paid upon confirmation of each subscription.
Exclusivity	No exclusivity required. No obligations beyond making introductions when relevant.
Tracking	Each partner receives a unique coupon code for accurate attribution.
